

me, some pity me while some think that I am a beast, but I am not. I realised my abnormality the ^{day} my mother took ^{me} to Nursery School where my ~~bro~~ siblings are schooling ^{for registration} but the School Management "REJECTED ME". That was when I started praying for myself saying "Jesus Have Mercy on Me and Remove this thing on my Face" I was just two (2) Years Old Then. Each time I recited this prayer my mother and siblings will start crying. God answered my prayers through Rev. Fr. Dr. Paul Colome who brought me and my caring mother to this place "Germany."

We were here ~~for~~ last year 2018 but nothing was achieved at University Teaching Hospital Ulm, Germany.

I was referred to another Hospital
